

World Factory, Inc. Relocates China Headquarters to Better Serve Import Buyers

In August 2009, World Factory moved their Asia headquarters to new offices in the main tower of Gem Park. Gem Park Towers are part of a brand new business complex located in the Caohejing Hi-Tech Area. Lu Axford, President World Factory said, "This new facility is more convenient for buyers to visit, it is important to us that our customers get to know our China Team that is here to support them."

In addition, World Factory has relocated the warehouse/showroom just a few minutes from the new offices Gem Park. Philip Ma, Vice President World Factory said, "With this move we achieved our two goals, continue to lower costs and improve our customer service."
